COVID test point for guests

Poreč Tourist Board has provided COVID-19 testing for guests in private accommodation, small accommodation facilities, apartment and holiday home owners (weekenders) staying in the City of Poreč-Parenzo area.

Testing for COVID-19 will take place at the COVID test point in Poreč, in the parking lot of Sports Centre Žatika, on **Mondays, Wednesdays, Fridays and Saturdays from 9 -12 am.**

You can apply through app.medico.hr application and make a payment in order to get the results as soon as possible and avoid the queue.

When signing in the application, it is necessary to enter the **PROMO CODE** (discount code):

- **BAT - 100medi**
- **PCR - istrapcr**

A rapid antigen test costs HRK 100.00, while the price for a PCR test is HRK 375.00. The results for rapid antigen tests will be available two hours upon testing, and for PCR tests within 24 hours. Tests are payable via app. The results will be delivered to your e-mail address, in Croatian and English. The cost of testing shall be borne by the guest.

If you require any further information please contact the Information Centre of the Poreč Tourist Board at the address Zagrebačka 9, Poreč; by phone: +385 52 451 293 or e-mail: covid@myporec.com
